2023 COLLEGE OF EDUCATION STUDENT EMPLOYEE AWARD

This Spring, Caroline Wooten was honored with the 2023 UCCS College of Education Student Employee Award! During the 22-23 academic year, Caroline demonstrated expert leadership and team commitment in supporting over 30 campus recruitment events. Through collaborating across the community to build partnerships and recruitment pipelines, Caroline helped to successfully execute the Southern Colorado Education Summit, which led to increased interest and new student applications for the college. Congratulations to Caroline for this deserving award!

2023 STUDENT SUPERVISOR OF THE YEAR AWARD

Congratulations to our alumni, Bruce Ziegler '22, for being honored with the 2022-2023 UCCS Student Supervisor of the Year Award! Each year, the Office of Student Employment collects nominations from across campus and selects one award winner that they believe goes above and beyond in their work supervising student employees. Bruce's outstanding work supporting Orientation peer leaders is vital to the success of the transition experience of new students at UCCS. Bruce is beyond deserving of this award and we are so happy to see him being recognized!

CRAZY FOR CONVENTIONS

Some of our SAHE crew shared a little about their experiences at the Spring NASPA & ACPA Annual Conventions.

MOLLIE HAYDEN (SHE/HER)

2nd Year Student & Attended the ACPA Annual Convention

"I really enjoyed being around other student affairs practitioners, especially other residence life staff, and recognizing the common challenges at our institutions. I especially enjoyed presentations by residence life about student employees unionizing, as well as a team that switched their RA selection to a lottery system."

DR. NICK FUSELIER (HE/HIM)

SAHE Program Assistant Professor & Attended the ACPA Annual Convention

"ACPA has been my professional home for 10 years now and it's always such a treat being in community with colleagues and friends. This year was a great chance to renew our association's focus on racial justice and decolonization as critical elements to student affairs work. I am so looking forward to next year as it'll be ACPA's 100th year as an association, and we'll be celebrating with our annual Convention in Chicago!"

DR. PATTY WITKOWSKY (SHE/HER)

SAHE Program Associate Professor & Attended the NASPA Annual Convention

"The Convention was a wonderful time to reconnect with colleagues from previous institutions as well as create new partnerships with faculty colleagues across the U.S. I gained the most out of the Faculty Institute where we shared both challenges and opportunities for student affairs preparation moving forward in the post-COVID landscape."
