

Academic Advising Practicum Experience

Supervisor and Contact: Valerie McClinton (vmclint@uccs.edu)

Learning Outcomes:

- Employ understanding of student development in creation of educational materials
- Develop ability to explain advising resources and processes
- Utilize assessment knowledge to contribute to departmental research and assessment projects

Learning Activities:

- Observe and discuss advising interaction during appointments and walk-ins (shadowing, etc.)
- Train to participate in Advising Outreach activities (Degree Audit education, GPS 1010 visits, group advising, etc)
- Analyze data regarding student use of office, GPA
- Gather, organize and plan dissemination of anecdotal data regarding maximizing opportunities at UCCS
