Learning outcomes:

- Our campus is a branch campus of Pueblo Community College, and because of this, it offers a rich, unique student affairs experience. At our campus, we have a Go!Zone, that is a one stop shop for all students for all programs. In the Go!Zone, you will have the ability to gain experience, and assist students with:
 - Financial aid questions
 - Enrollment Services
 - Campus tours
 - Providing information on program and career options
 - Connecting students with resources
 - Communicating information to student body
 - Advising
 - **Please note that you would have the flexibility to choose an area of focus if one is of greater interest to you.
- Develop skills in leadership, collaboration and knowledge about many areas of higher education

Learning activities:

- Work collaboratively with team in the Go!Zone to field student questions and concerns
- Collaborate with Director of Student Services on:
 - Planning campus events
 - Networking with community members
 - Assisting with the Associated Student Government organization
 - Helping plan events, clubs and social groups
 - Mentoring students
 - Assisting with the Student Pantry
