

Residence Life and Housing Practicum Experience

Supervisor and Contact: Molly Kinne (mkinne2@uccs.edu)

Learning Outcomes:

Employ understanding of student development in discussion of policy violations with students

Be able to develop training and professional development content and activities according to departmental and staff needs

Understand program assessment process

Learning Activities:

Train to hear residence hall conduct cases (shadowing, etc.)

Hear low-level conduct violations in residence halls and facilitate discussions with students

Assist in planning RA training

Plan staff in-services 1-2 times per month in collaboration with Residence Hall Managers

Contribute to the development and administration of student learning and satisfaction assessments
