Summer 2015

## CURRENT STUDENT EDITION!

Congratulations to our second year cohort members on finishing their first year, and welcome to the SAHE family first year cohort members! This newsletter is for you!

### First Year Cohort Information

-SAHE Orientation will be held on Tuesday, August 18th from 1:30-6pm in Osbourne 317 (the Daniels K-12 Classroom). Get excited to meet your fellow cohort members, learn about campus resources, professional development opportunities, and to hear from peers and alumni about best practices in the program.

-The UCCS Student Affairs Association will be holding elections for the Vice President position as well as the first year representative position in class on Saturday, September 5th. These positions are set aside for first year members, so start thinking about if you would like to participate in elections!

-Advising sessions with Patty will begin on Tuesday, August 25th! Keep an eye out for a sign up genius email at the end of the summer. Start thinking about topics you'd like to discuss!

-The SAHE Program is putting on a Travel Tour in early January. More information will be coming soon, but we will be renting a bus and visiting various universities throughout the Southwest with our last stop in Vegas!
